Too Much Fun !

The new year got started with a great birthday party. Since San Luis Obispo is blessed with some of the best weather anywhere, the partygoers got to set up their celebration on the Museum platform in the warm, glorious sunshine and excitement was felt by all as the Surfliner came by. The party even rated a special toot from the arriving train. While in the Museum, the children crowded around our newly expanded play area while parents got to relax. Our Pullman car was open for parents to view and get their pictures taken.

Puttin' On The Ritz

The Friends of the Santa Maria Valley Railroad will put on a sparkling gala on April 23rd. They have most generously offered to make a significant donation from the proceeds to our Museum to help renovate and refurbish our 1926 Pullman car. Tickets are available for \$100 per person, until February 1st.

After that, the price will increase to \$125, so get your tickets early. And let us know if you have an item or a service that we could auction to help raise funds.

Thanks to a Generous Donor

We are pleased to thank Rick Engineering, which has volunteered to donate funds for upholstering a chair in the #1886 Caboose. We still need help with the remaining chairs and the desk, so please feel free to step forward if you can help.

It costs \$400 to do one chair. Let us know if you can help. Come in to the Museum or send a check marked Caboose Chair to:
