Plan Ahead for your Private Car Excursion

Good News! If you missed the opportunity to go on our last private car excursion, you will have another chance this summer. On June 20th, we will again be offering excursions between San Luis Obispo and Santa Barbara on the beautiful Overland Trail parlor car. There are two choices. The morning trip leaves SLO on the Surfliner at 6:55 am and you return on the Overland Trail at 1:00 pm. The afternoon trip leaves on the Overland Trail at 1:55 pm and you return on the evening Surfliner at 8:30 pm. The cost is \$100 per person round trip. If you've ever wanted to experience the luxury of a private car, this is your chance. Contact Diane at media@slorrm.com with your choice of am or pm trip and we will make your reservations and arrange payment.

Join Us for these Upcoming Events

Thursday, April 23rd: Friends of Santa Maria Valley Railroad will be holding their spring gala, "Puttin' on the Ritz". See our website to buy tickets to this great event. A donation from the profits will be made to SLORRM to help in renovating our lounge car, which will be christened with its new name on National Train Day. Join us for the fun!

Saturday, May 9th: NATIONAL TRAIN DAY will take place at the Museum. We will have a railroad swap meet, the christening party for our renamed lounge car, plus other events. Members can rent a table on the platform to sell their railroad-related items. Contact media@slorm.com if you are interested or have other questions about the day. Watch for more details.

Thursday through Saturday, October 1st to 4th: The CENTRAL COAST RAILROAD FESTIVAL will take place at the Museum and in other venues around the central coast area. There will be model trains, railroad art exhibits, talks about local citizens and their involvement with the railroads, a swap meet, and so much more. Watch here and on the SLORRM website for more details.

We're Making Progress on the Caboose

THANKS to 2 more members who have stepped up to sponsor chairs on the #1886 Caboose. Patricia Manion and Duane Powell have each donated \$400 to upholster a chair for this car under restoration. We still need your help. Please contact Diane at media@slorm.com if you can help us with this project. You, too, can have our thanks for sponsoring a chair. This caboose will become one of our major exhibits, but it still needs a lot of work. And thanks to Brad LaRose who is working tirelessly on this project. Help Brad and the Museum to complete this work.

MEMBERS: If you are a friendly, outgoing person, we need you at the Museum. We are always looking for docents who can share the history of railroads in our area. In order to increase the time we are open to the public, we need to increase our docent pool. You don't need to be an expert. We will help you learn everything necessary to do the job. All you need is an interest in trains and in sharing information with the public. Contact Diane at media@slorm.com for more information. Thanks for your consideration.

REMINDER: If you have not renewed your membership for 2015, please send in your dues! Make check payable to SLORRM and send to P O Box 13260, San Luis Obispo, CA 93406. Or renew with PayPal at <http://slorm.com/join.html>. Thanks!
