THE ALVIN ALL-STAR RAILROAD
SATURDAY, NOVEMBER 14, 2020
10:00 am PST
PRESENTER: JAMIE FOSTER

The Alvin All-Star Railroad was the brainchild of a 3rd grade teacher (Lynn) at Alvin Elementary in Santa Maria, her husband (Jamie), and her father-in-law (Bill). It became an entire unit in her classroom for a couple of months (in 2002 and 2003). During this session, we'll talk about the prep work (mostly the building of the model railroad platform), the various goings-on in the classroom (presentations, field trips, art, history, completing and operating the model railroad layout, etc.), and some of the final activities including an Open House, a field trip on Amtrak, and TV coverage by KCOY.

For this session, video and audio are highly recommended in order to see the photos and graphics as well as hear the commentary.
