4th Saturday CCMR Modeling Program is Restarting
Saturday, September 25th, 12 Noon

DCC and Electronic Operations on the CCMR

Andrew Merriam, MMR, will discuss an overview of DCC, how it's applied to the CCMR model and use of control throttles and trouble shooting, these being issues common to most DCC models. This presentation will be video recorded and available for viewing. Future programs will include signaling on the Southern Pacific, use of the newly released Walthers track turnout/control system, weathering structures, running trains prototypically and many more.

Modelers night at the CCMR
Saturday, October 2, 2021
4:30 pm to 7:30 pm

SLORRM will host a pizza party for modelers interested in running trains on the CCMR layout. There will be eating, socializing and running trains. RSVP to Andrew Merriam, CCMR superintendent, at agmerriam@charter.net. Reservation needed to order pizza. Contact Andrew for further information.

DANNY THE DIESEL HAULS ROCKS

See our Plymouth Locomotive turned into a children's story by Glen Matteson. This is the second in the series and follows the history of our little locomotive after it left Camp Roberts and before it came to our Museum. It's free on our website to view and download, but donations are gratefully accepted.
